

Paper Quilling (Technique)

-Paper Quilling manual paper shredder. I bought this manual paper shredder on Amazon. It's a portable paper shredder where you can easily pack and travel with it.

-Coloured printing (photocopying) paper. I use Astrobrights brand where I bought from Staples. There's 25 colours on the bundle.

-3 different Slotted tools. Japanese imported slotted tool bought from Quilling Maggie Etsy shop, basic slotted tool from Amazon, Savvy slotted tool from Quilled Creations.

-Circle size ruler from Quilled Creations.

-Quilling winding board. You can find this on Amazon.

-Fine point glue bottle and PVA white glue. You can find this on Amazon.

-Tweezers, scissors, sewing pin, Pin point tool (pick)

-Quilling comb. You can find it at Amazon or Quilled Creations.

-Acrylic point tool, where I can shape my tight coils. You can find any cone shape tool made out of wooden ring holders on Amazon.

Happy Crafting!
